

3HC is pleased to offer opportunities for you to honor your loved one through the dedication of a stepping-stone on the Walk of Life or butterfly on the Wings of Life.

The Walk of Life is a beautiful walkway that consists of a water fountain and a bench with floral landscaping and shrubbery- a place where patients and family can come to reflect and share stories, thoughts, and feelings. Each stone will be a legacy on the Walk of Life, commemorating a special bond you hold with those near and dear to your heart. The stones are engraved for a minimal donation of \$250 per stone.

The Wings of Life is the hallway linking the Acute wing and the Residential wing in the Center, consisting of beautifully hand-made, ceramic butterflies. Each butterfly will be a legacy on the Wings of Life and will include the name of the individual being remembered, or honored, for a minimal donation of \$1,000 per butterfly.
